NNB JAMIAT'S HARAAM 'GIRLS YOUTH GROUP' ZINA- FUN DAY EXHIBITION

Allah Ta'ala, commanding females to remain indoors at home says in the Qur'aan Majeed:

“And, remain glued in your homes, and do not make a display of yourselves as the exhibition of the former times of Jaahiliyyah”

Rasulullah (Sallallahu alayhi wasallam) said: **“Woman is Aurah (an object of concealment). When she emerges, shaitaan lies in ambush for her.”**

Every decent Muslim – Muslim who has not bartered away his/her Imaan - understands well the command and the imperative need for girls to be taught Hijaab (Purdah) from a very young age. Hijaab is not restricted to a cloak. The very first imperative demand of Hijaab is for females to remain indoors at home.

Muslims understand that even during the holiest and best of eras, viz., the age of the Sahaabah, females were not allowed to come to the Musjid despite the extremely strict Purdah conditions they used to observe. But today, a group of RUBBISH molvis operating under a satanic ‘deeni’ veneer are luring young girls out of their homes to teach them the kuffaar ways of zina whereas the Qur'aan warns: **“Do not approach near to zina.”**

Female emergence from the home and their participation in group activities are stepping stones of zina. Such emergence and haraam fun-day activities negate their Imaani hayaa, making them shameless and audacious, and eventually disdainful of remaining indoors as commanded by Allah Ta'ala.

This most miserable shaitaani group of miscreant munaafiq molvis in their haraam advert to lure girls from their homes, say:

**“Join us for a day filled with motivational talks,
art jamming sessions.....”**

They motivate fisq and fujoor, and abandonment of Hayaa. The NNB's Devil Helpline in luring the girls into haraam public activities act in violation of every rule of Islamic Hijaab. Their evil, shaitaani 'fun day girls youth group' is designed to ruin the Imaani Hayaa of the girls. The shaitaani temerity is also to charge each girl R150 for teaching them the art of zina.

It is indeed disturbing to learn that parents will pay a R150 fee per daughter to the NNB Devil Helpline to school their daughters in the shaitaani art of exhibitionism. This indicates the depths of degradation into which the Muslim community has sunk.

The blame for this corrupt state of fisq and fujoor is not exclusively that of the human devils of the NNB. Parents and the Ulama too are complicit in wrecking the Hayaa of the young girls. It is obvious that the lured girls will be participating in the satanic fun day with the consent of

their parents. Such parents should understand that they are in the process of forfeiting their Wilaayat (guardianship and jurisdiction) of their daughters. Tomorrow when these girls, stripped of their Imaani Hayaa, audaciously choose to strike up haraam zina relationships and elope, then these fussaag and fujjaar parents should not shed tears.

The Ulama, and we means the sincere ones, who abstain from Amr Bil Ma'roof, come withing the purview of the Hadith: **“He who is silent regarding the Haqq is a DUMB SHAITAAN.”** Understand well that you are ‘dumb devils’ by condoning these haraam functions organized by munaafiq molvis who brutally misuse the Deen for their vile nafsani desires and gratification of their satanic carnal lusts. Only molvis who have been driven to shaitani insanity by nafsaniyat can act so shamelessly by brazenly luring young girls into fun day zina preparatory activities.

The Ulama should understand that their function is not restricted to telling stories and giving such lectures which are designed to appease all and sundry. Did the mission of our Nabi (Sallallahu alayhi wasallam) not include Nahyi Anil Munkar? Were Rasulullah (Sallallahu alayhi wasallam) and the Sahaabah not persecuted and brutally tortured for proclaiming the Haqq? No one is asking you in this age to undergo the hardships which our Nabi (Sallallahu alayhi wasallam) and the Sahaabah had suffered. You are today required to only open your mouth and proclaim the Haqq pertaining to the rubbish, fisq and fujoor which the munaafiq molvis of Reverend Abraham Bham's ilk are sowing in the community.

Your silence is in fact active condonation of the haraam and evil of these filthy molvis who conduct themselves just like atheists. It is difficult to accept that they even believe in Allah Ta'ala. Remember that when the universal Athaab of Allah Ta'ala settles on the community, the Ulama will not escape even if they were sincere and members of the Fraternity of Haqq. Warning these silent, dumb devil Ulama, the Qur'aan Majeed states:

“Beware of such a FITNAH (Punishment) which will not be restricted to only the transgressors.”

The Athaab will take all, even the Ulama and the Buzrugs in its stride and sweep.

Girls of the age of 13 are Muraahiqah or Baalighah. Regarding Purdah they are treated as adults by the Shariah. How can people of Imaan lure such girls into the public domain to participate in haraam sport and haraam fun activities? Did these RUBBISH molvis learn such treachery from the Hadith or the Qur'aan? Whose 'sunnah' is it to lure females into the public domain to participate in 'fun' – fun which is a trap of Iblees? Most certainly it is the sunnah of the kuffaar inspired by Iblees.
