A CRISP NASEEHAT OF SOME BROTHERS FOR THE MUNAAFIQEN OF THE NNB JAMIAT

In order to salvage some of its lost ‘popularity’, the Munaafiq cartel of ulama-e-soo’, namely, the NNB jamiat of Fordsburg, masquerading as *jamiatul ulama south Africa*, has written to Pakistan regarding the proposed demolition of a Musjid in Karachi. Insha-Allah, we shall respond adequately to the LIES and FRAUD of these munaafiq molvis.

Meanwhile, the following is a crisp naseehat of some Brothers for these munaafiq, clown-like molvis of the NNB jamiat.

To: ebrahim bham, zaheer ragie, Haider Ali and co...

With reference to your address to the Supreme Court of Pakistan...

Re: Order to Demolish of Madina Mosque in Karachi / A Plea for Reconsideration.

Remember, just to jolt your forgetful memory. You are the same ‘Gang’ not too long ago who went to the South African Court as Friends of the Court and enemy of Allah to close the Masjids, we the ordinary public have seen your true colours. By sending this hollow and hypocritical appeal and many other appeals regarding the Massajids, it won’t convince us and change our opinion of your jamiat sa. By closing the Masaajids it’ll be always Like a dead Abatross strung around your necks.

Thereafter, seeing your organization’s popularity plummeting instead of making a public towbah, your organization goes AGAIN to the Court as Friends of the court with the Lesbians, what stupidity and audacity? Open your eyes before it’s too late. It is our hope and prayer that you realize your mistakes and apologize publicly and this doesn’t become a precedent for your younger generation.
