ONLY MUNAAFIQS VOLUNTARILY CLOSE THE MUSAAJID

Allah Azza Wa Jal says in the Qur'aan Majeed:

***“Who is a greater zaalim (oppressor) than the one who prevents (Muslims) from making Thikr in the Musaaajid, and he strives to destroy the Musaaajid.”
(Baqarah, Aayat 114)***

The closure of the Musaaajid by the kuffaar government is understandable. It is merely a demand of their Kufr and aversion for Islam and Muslims. The clamour by the *Ghutha (Rubbish)* such as the MJC, NNB jamiat, bogus uucsa and similar other vile outfits for the Musaaajid to be closed and the active steps they have taken to close the Houses of Allah – such Musaaajid which are under their satanic control - is also understandable. Since they are thoroughbred **Munaafiqeen** – born and destined to be fuel for Jahannam – their glee and pleasure on account of the closure of the Musaaajid come as no surprise.

Muslims whose Imaan is intact, will never voluntarily close the Musaaajid. In fact, the contrary is being observed despite the draconian measures and oppression of the government. Allah Ta'ala, in His Infinite Mercy, opens avenues for His sincere servants whose trajectory is only from home to the Musjid.

In reality, Allah Ta'ala has brought about the closure of the Musaajid via His kuffaar servants in order to filter the Filth, the Munaafiqeen and to expose them. Since the closure of the Musaajid, the Munaafiqeen have been exposed. They have surfaced for all Muslims to know and to see. These Munaafiqeen are worse than *khanaazeer*. According to the Qur'aan, they will have to consume the filthy blood and matter which will flow from the bodies of the Jahannamis.

Despite the draconian, cruel and oppressive measures instituted by the government to target the Musaajid, Allah Ta'ala has made it possible for the true, regular and punctual Musallis to discharge their Fardh obligations in the manner prescribed by the Sunnah regardless of the covid shaitaan munaafiq cartel who cannot tolerate seeing genuine Muslims fulfilling their Fardh Jamaat and Jumuah Salaat in accordance with the Sunnah.

The *impimpis – traitors and sell-outs* – who are the Munaafiqeen are in cahoots with the oppressors. In fact they – these Munaafiqeen – have a greater aversion for the Musaajid and Salaat than even the non-Muslim oppressors.

As far as the MJC and similar others are concerned, who have voluntarily closed the Musaajid and who laud accolades on the government for having closed the Musaajid our Dua is that their bodies must rot – that when they *vrek* their corpses should let out terrible stench and horrible sounds to be *Ibrat* for others. The end of these Munaafiqeen who prevent Muslims from the Musaajid and who act as despicable, rotten, treacherous spies and informers, shall be spiritually disastrous. Everlasting Jahannam awaits them. May Allah's *La'nat* and *Ghadhab* settle on them. May they bray like donkeys when Malakul Maut wrenches their vile souls from their bodies.
