# **“MUSLIM” SHIRK YOGA STUDIO IN ZAMBIA**

## ***CONDONED BY THE KHANAAZEER ‘ULAMA’***

From Zambia comes the following disturbing lament:

*Assalamualaykum,*

*We write to you with great pain in our hearts regarding a fitna that has become very common in our country, Zambia.*

*A woman from a noble home, married to an Aalim of yet another noble family of Tablighi background, has just opened her first Yoga studio in Lusaka. Here is what hurts us common people the most:*

- \* All our Maulanas are silent on this issue.*
- \* Wives and daughters of Muftis and Maulanas are openly supporting this project and congratulating the woman on her great achievement.*

*These are the same maulanas who are respected in the community, who run our Halaal certifying bodies, teach our children Hifz and in the makatib and DarulUlooms.*

*\* The studio is opened right next door to a girls Darul Uloom, of which the owner of the Yoga Studio is a former student of.*

*\* The woman posts videos and pictures of herself on social media doing Yoga while Muslims including the maulanas do not bat an eyelid.*

*Because our maulanas do not wish to admonish the people and remind them of what is correct, please can the respected mufti kindly highlight the issue of yoga in Islam so that the people can take heed and mend their actions. We are worried that the misdeeds of a few in the community causes the punishment of Allah to befall on all of us. May Allah Ta'ala protect us all.Aameen.*

*(End of letter from Zambia)*

Your worry is valid. Allah Ta'ala says in the Qur'aan Shareef: *"Beware of such a Punishment which will not be restricted to only the transgressors among you."* The universal (*Aam*) Athaab of Allah Ta'ala will overtake also the molvis, sheikhs and the buzroogs who stood silently as dumb devils viewing the pillage and plunder of the *Ahkaam* of the Deen.

This type of immorality, fisq, fujoor, kufr and shirk will be on the increase as we approach Qiyaamah. The vilest of mankind are those 'ulama' who are khanaazeer (swines), the kind described in the foregoing letter.

Yoga is haraam. All Muslims, even the ignorant, are supposed to know this. There is no need for elaborate presentation of academic arguments to understand the shirk and evil of this practice of the Mushrikeen. Regardless of what benefits (satanic benefits) are perceived in this *shirki* practice, it remains haraam. Furthermore, this shirk practice is aggravated by the zina performances of the she-devil who operates this studio of Iblees, and also by the active connivance of the Ibleesi 'maulanas' in Zambia. The disease of satanic silence has afflicted the vast majority of Ulama all over the world. These so-called ulama are the vilest specimens of humanity *"under the canopy of the sky"* according to Rasulullah (Sallallahu alayhi wasallam). They are the manufacturers of such *fitnah* which will "rebound on them", said Rasulullah (Sallallahu alayhi wasallam).

The Muslim community in Zambia should not wail and lament when the *Athaab* of Allah Azza Wa Jal will settle on them. In these times the Divine Punishment assumes the form of xenophobia in whose wake follows pillage and plunder. No one should be surprised when Allahs' Athaab befalls Muslims. And, this is not confined to Zambia. In every country, Muslims deserve to be obliterated. They have become absolute treasonists against Allah Ta'ala. The latest group of such treasonists is the Taliban who have treacherously violated their covenant with Allah Ta'ala.

The Ulama, Darul Ulooms and Tabligh Jamaat all have outlived their utility. They are now engaging in digging up the foundations of Islam. They either actively promote fisq, fujoor and kufr or condone it with their satanic silence. All the Deeni institutions and Deeni personnel have become mercenaries. Their outer Deeni façade is pure deception designed to ensnare a stupid community to keep the cash flowing into their coffers.

The woman who has opened this studio of Iblees is in an illicit embrace with Iblees. Iblees has appointed her as his agent to peddle his Jahannami wares. If she does not understand and repent, she will be hung naked upside down in Jahannam.

The muftis, maulanas and their wives and daughters who are 'openly supporting' this she-devil and her Ibleesi project are all fuel for Jahannam. We are living in *Aakhiruz Zamaan (the End of times)*, hence this kind of immorality and kufr must be expected. But this should not prevent the sincere Ulama from discharging their obligation of *Amr Bil Ma'roof, Nahy Anil Munkar*.
